One Man Saved

From a wreck will attract the world's attention to the life-saver. Yet let the life-saving be continued every day, and very soon it attracts no public attention. It is the scene of the saving of one life by that life-saving remedy, Dr. Pierce's Golden Medical Discovery, could be made to stand out alone, like a picture on a screen, it would attract the notice of the whole nation. By a curious contradiction the very frequency with which the "Discovery" saves life, robs the fact of general interest. For obstinate coughs, bronchitis, weak lungs, and other diseases of the respiratory organs, "Golden Medical Discovery" is the one medicine which offers certain help, and almost certain cure. It contains neither alcohol nor narcotics.

"Only for Doctor Pierce's Golden Medical Discovery I think I would be in my grave to-day," writes Mr. Moses Miles, of Hilliard, Utah Co., Wyoming. "I had asthma so bad I could not sleep and was compelled to give up work. It affected my lungs so that I coughed all the time, both day and night. My friends all thought I had consumption. My wife insisted on my trying 'Golden Medical Discovery.' I have taken four bottles and am now a well man, weighing 155 pounds—thanks to Dr. Pierce."

The People's Common Sense Medical Adviser in paper covers, is sent free on receipt of 21 one-cent stamps to pay the cost of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

CATARRH Nasal Catarrh.

In all its stages there should be cleanliness. ELY'S CREAM BALM cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

CREAM BALM placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large size, 50c at druggists or by mail. Trial size, 10 cents by mail. ELY BROTHERS, 56 Warren Street, New York.

FOR OVER FIFTY YEARS. AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have in twenty years." And son of King of Sunny Lane, Tex. Thousands have testified as to the cure.

To Cure Constipation Forever. Take Chamberlain's Candy Cathartic, 10c or 25c. If C. C. C. fail to cure, druggists refund money.

MCKINLEY IS DENOUNCED.

President McKinley's administration was denounced and Aguinaldo's name loudly applauded by the large audience that listened to the speakers at the anti-imperialist meeting in Faneuil Hall, Boston, on Saturday night. George S. Boutwell said:

"If there has been any betrayal of the American Cause, it is the principles of human liberty have been trampled down in these four years, the author is William McKinley, and for his conduct the republican party has a severe and full responsibility. The remedy is the overthrow of William McKinley through the defeat of the republican party."

"I shall not continue the inquiry whether we are more or less a world power than we were in 1897, but of this I am assured: In 1897 we were a republic and in 1901 we are an empire. Mark the steps by which the change has been wrought. First in point of time we annexed Hawaii, a country that had been seized by a monarchy. 'We have secured from England and Germany exclusive jurisdiction of islands in the Samoan group, where we are engaged in keeping the peace by the presence of a naval force.' 'Porto Rico has been annexed unconditionally. In that island we have a civil government that has been created by the order of the President. 'In disregard of our pledge of freedom and sovereignty to Cuba we are imposing on that island conditions of colonial vassalage. 'The island of Guam has been made a penal colony and one person, whose name has become historical, has been deported by a military order without a trial and without an opportunity for defense. 'Finally Congress has given the President full power to govern Cuba, Porto Rico and the Philippines, and in none of the vast possessions can the people appeal either to the Constitution or the laws of the United States. 'Has power more unlimited been exercised by any despot in any age or country?'

George G. Mercer, of Philadelphia said: "I will not make any attempt to criticize the capture of Aguinaldo, but when I came into this hall last night, a gentleman, the Rev. Mr. Fuller, told me that he had dined with an army officer last night who said: 'I am glad that the capture of Aguinaldo is not a graduate of West Point Academy, as it was a disgrace to the United States.' There is something deeply pathetic in the statement made by Gen. Funston, when he told of Aguinaldo telling his men to 'treat the Americans kindly,' when the Macabebes had sent word to him that they held American prisoners and were without food. When the party arrived at Aguinaldo's camp the first thing they did was to brutally kill one of his followers. The command given by the Macabebes to go at them was given by a Spanish officer in charge of American soldiers, while a 'Judas' fell upon Aguinaldo's neck and kissed him."

HER TWENTY-SIXTH BABY.—Last week Mrs. Custodes, of Sandy Run, Pa., gave birth to her twenty-sixth baby, a little girl weighing 11 pounds. Mr. Custodes has had twins three times and triplets once. Five were born in America. She is a native of Belgium and was married when she was 17 years of age, came to America in 1892 and settled at Sandy Run, where she has since lived. She is now 45 years old and as strong and healthy as an athlete, doing more work than two ordinary women. Her husband is a German Belgian 50 years of age, of muscular build and well preserved. He is a coal miner, working for John Langdon.

A Testimonial From Old England.—"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. It has saved my wife's life, she having been a martyr to the cough for over 12 years, having most of the time confined to her bed. She is now quite well." It is a great pleasure to the manufacturers of Chamberlain's Cough Remedy to publish testimonials of this character. They show that great good is being done, pain and suffering relieved and valuable lives restored to health and happiness by this remedy. It is for sale by Richard Gibson, druggist.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's Liquid Cream Balm. Price, including the spraying tube, 75 cts. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the secretions, but changes them to a natural and healthy character. Ely Brothers, 56 Warren Street, New York.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a speedy cure. I cannot speak too highly of that excellent remedy." Mr. T. K. Houseman, Massachusetts, Pa.
